## **RULES AND REGULATIONS**

### **TOWN OF BREWSTER CEMETERIES**

The following rules and regulations, adopted by the Town of Brewster Cemetery Commission on August 16, 2000, and revised on September 8, 2008, shall govern the operation and Management of all Town Cemeteries, as provided for under Massachusetts General Laws, Chapter 114.

#### **I. TOWN CEMETERIES**

The Town of Brewster maintains and operates both active and inactive (ancient) cemeteries within the town boundaries. Active cemeteries are those in which burial plots remain available for issuance of burial rights to residents and taxpayers of the town. Inactive (ancient) cemeteries are those in which no plots remain available for licensing assignment.

Burial rights are granted by the Town of Brewster for the sole purpose of interment of human remains which is acknowledged by written deed for a fee. Burial rights terminate ninety-nine (99) years after date of deed issue and if rights are not exercised within that period of time, all rights revert back to the Town of Brewster at that time for reissue. When necessary to avoid an un-authorized taking, due compensation will be provided.

#### **II. MANAGEMENT**

Under the administrative direction of the Town Administrator, the DPW Superintendent and the Cemetery Commission shall have overall responsibility for the proper management of Town Cemeteries in accordance with these rules and regulations and applicable federal and state laws. Under the general direction of the Department of Public Works Superintendent, the Department of Public Works shall have direct responsibility for the day-to-day administration, operation and maintenance of Town Cemeteries. As such, the Department of Public Works staff, under the direction of the Department of Public Works

Superintendent, shall be responsible for the enforcement of these rules and regulations.

Any appeal or request for reconsideration of the application of Cemetery rules, regulations, policies, procedures or fees should be directed first to the Superintendent of the Department of Public Works. If satisfaction is not received appeal may be taken next to the Cemetery Commissioners and finally to the Board of Selectmen, whose decision in these matters shall be final and binding.

### **III. QUALIFICATIONS FOR PURCHASE OF BURIAL RIGHTS IN BURIAL PLOTS**

#### **Resident**

The term "Resident" is defined as any person who has been included in the most recent Town of Brewster annual census. The Cemetery Management (Department of Public Works) therefore requires proof, in writing, of an individual's principal domicile at the time of purchase of burial rights in Brewster of not less than one (1) year, in order to meet this requirement. The residency proof shall be kept as a record with the deed.

Full-time residents of the Town of Brewster, as defined herein, who wish to purchase burial rights in burial plots should visit or call the Department of Public Works administrative office (Cemetery Department) where the Management will aid them in obtaining a Certificate of Right of Burial after payment is received. Any full time resident may purchase burial rights to no more than four (4) single burial plots. Requests for additional spaces must be by petition to the Cemetery Commission, or if unsatisfied then to the Board of Selectmen. These regulations shall not be applied in a manner which would deny any person his or her constitutional or statutory rights.

#### **Non-Resident Taxpayers**

The term "Non-Resident Taxpayer" is defined as any person not meeting the domicile requirements for determining "Resident" status but has paid real estate taxes on residential Brewster property for the prior two (2) years. Non-residents and commercial property taxpayers are not eligible unless they meet the residency requirements.

Non-resident taxpayers, as defined herein, may purchase up to two (2) single burial plots. Requests for additional plots must be by petition to the Cemetery Commissioners. Non-residents do not qualify for purchase of burial rights. These regulations shall not be applied in a manner which would deny any person his or her constitutional or statutory rights.

**Resident unable to purchase Plot**
