STAFF REVIEW SUBMISSION REQUIREMENTS

Please submit **12** collated copies of the Staff Review Application and the following per §83-5:

A. Site Plan. Please provide a (11" x 17") plan showing the following:

1. The location and boundaries of the site and any lots proposed.
2. An indication of each zoning district and overlay district involved.
3. The use and ownership of adjacent premises, approximate location of buildings within 50 feet of the site and, if the proposal may include on-site sewage disposal, the approximate location of any wells on or off the premises within 300 feet of the leaching field or other discharge locations.
4. The existing and proposed buildings, streets, ways, drives, walks, service areas, parking spaces, loading areas, fences and screening, utilities, waste storage and disposal facilities, wells and drainage facilities, to the extent these have been designed.
5. The existing and proposed topography and vegetation, indicating areas of retained vegetation and identifying the location of any trees exceeding eight inches in trunk diameter 4 ½ feet above grade, if proposed for removal, and identifying size and species of trees and shrubs to be planted, if known.
6. An indication of wetlands if known and other areas subject to control under the Wetlands Protection By-law, and the one hundred foot zone surrounding such areas.
7. The location of signs and exterior lighting and accompanying materials to describe those elements if known.

B. Building plans. Building plans and elevations in a general manner.

C. Any other information that could assist staff in understanding the proposal.

For early stages of review, or for non-required review, the requirements above do not apply.

Please contact the Planning Department at 508-896-3701 x1133 or by email at brewplan@brewster-ma.gov with any questions. Thank you.
